How did you hear about Loli's Place?

PLEASE READ THE FOLLOWING CAREFULLY BEFORE SIGNING:

After we receive your application, we will contact you via email to inform you of its status. If you do not hear from us within a week, please email us again, to make sure that we received it. The application, references, telephone dialogue, vet check, and home visit are all required as part of the adoption process.

In the event of us receiving multiple applications for the same pet, we try to be as fair as possible to all applicants. Applications are not given preference based on the date of receipt of application, geographic location, or other such criteria. Rather, the decision comes down to who we feel will provide the environment that best matches this dog's particular needs. We try very hard to match the applicant's requirements for a companion with the pet's own particular requirements. We will inform you whether or not you were selected for the pet of your choice.
